

00:04:43 Disha A Trivedi: Hello Candace . I have a question but I am wondering if I can ask in about 30-40 mins?

00:05:02 Disha A Trivedi: Thanks Dr Laura

00:05:31 Tina Wallace: I haven't but I'm trying to get somewhere so I can

00:05:39 Tina Wallace: I believe I sent the ? In

00:06:04 Tina Wallace: I haven't asked before I meant

00:06:44 Tina Wallace: No I'm trying to pull over

00:06:51 Heidi Whipple: Let's start with Mei, Tina, Disha

00:07:20 Tina Wallace: Yes

00:14:41 Sherry Boone: Thank you all.what is the name of the article Dr. Laura is referring to?

00:14:56 Heidi Whipple: Talking with Teens and Preteens about Bullying

00:14:59 Candace Kielbiski: It is linked above Sherry

00:15:06 Tina Wallace: I am listening I can pull over safely by myself when needed it's so hard to pick one thing 🤔

00:15:08 Heidi Whipple: I posted the link above, but the title in the link is different

00:15:21 Sherry Boone: Thank you!

00:16:46 Candace Kielbiski: Tina, do you want to let me know when you are pulled over? I have pre-submitted your question. However, I think it makes sense to ask in person. A lot of the presipitating details have already been submitted to Dr. Laura. Does that make it easier?

00:20:25 Mei Yang: Thank you!

00:20:54 Tina Wallace: I'm sorry I was the one waving without hand up 🤔

00:21:13 Candace Kielbiski: Tina, you are going to be next!

00:21:46 Tina Wallace: Yes is the question about my 5 year old son and school? Or the siblings? Or one of my daughters 😊

00:22:00 Tina Wallace: Thank you!

00:22:59 Candace Kielbiski: Tina, I sent Dr. Laura the question regarding your son going back to school. Is this the questions you want to bring today?

00:23:16 Tina Wallace: Perfect!!

00:33:19 Louise Mansergh: The Kissing Hand is a tear jerker! It made my cry reading it to my son. He was fine!

00:57:49 Candace Kielbiski: Reacted to "I have also heard ..." with 👍

01:00:32 Heidi Whipple: I've found my son with ADHD has a really hard time describing what the other kid did. He'll say things like "He's so annoying!" It takes a lot of listening and coaching to help him identify the specific actions the other kid is doing that is annoying him.

01:01:16 Tina Wallace: Thank you and everyone helping with the links so much. I really appreciate everything. Is there a place to get all the links after the recording? Also I didn't realize anxiety is hereditary also - that would definitely explain a lot. Is that the same if my anxiety stems from a traumatic event? I was kidnapped for 8 days and assaulted so I still have anxiety from that I'm trying to work on but I get concerned because dad is also extra protective of jj and I'm afraid jj hears him when he says "I think this may be too much for him" I have tried telling him that jj knows how he feels even if not in front of him 😞

01:02:37 Tina Wallace: Last night after a lot of tears jj did say he didn't want to go to his prom in preschool and I was surprised.

01:02:49 Candace Kielbiski: Tina~ the recording will be posted on The Success Path Splash page, and will always be available in the library. Accompany the video will be written transcripts.

01:03:00 Tina Wallace: The play ideas I love though - thank you again

01:04:17 Candace Kielbiski: I also feel really invested in JJ's success. I hope you come by the Success Path fb page, and lean on us.

01:04:59 Heidi Whipple: Sending lots of love, Tina, that is so hard. ❤️

01:08:53 Tina Wallace: Replying to "The Kissing Hand is ..."

I also got slumberkins stuffed animals they have one for 1st day of school and they have free activities for social emotional things.

01:14:50 Tina Wallace: Thank you all so much. Everyone is so supportive and that is one of the things I have known for a while I needed most because even with a partner I do the main things like IEP, drs, etc. I am always looking to learn more and I've been following Dr. Laura since my oldest was a toddler (she's 10) and I found positive parenting. I will share on the Fb group. 💜
